Scraper matting

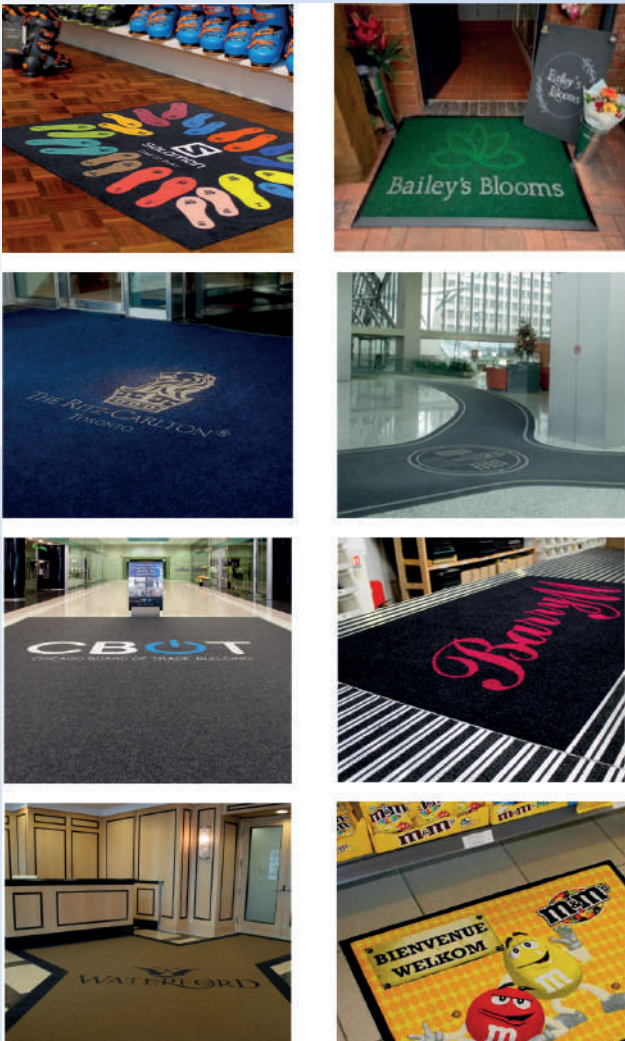

Antifatigue matting

Stair Protection

Logo matting

Floor grating

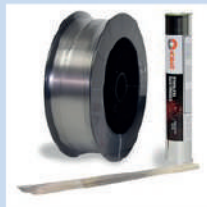

Gripfoot

Welding Consumables

- Stick Electrodes
- Tubular Wires
- Hardfacing
- Stainless Steel Stick Electrodes
- Submerged Arc

Power tools for industry

- Magnetic Drills, Cutters & Reamers
- Electric Hand Drills & Drive Units
- Surface Finishing Systems
- Saw
- Dust Collection Systems
 - Dust Collection Vacuums
- Concrete and Masonry
 - Diamond Core Drills
 - Diamond Saws and Grinders

Engineering Equipment

- Welding and fabrication consumables
- Industrial ball valves ball valves, trunnion valves, gate, globe, check, and butterfly valves and gearboxes.
- Quarter -turn pneumatic actuators.
- High efficiency ventilation systems.
- Packaged Equipment.
- All types of industrial pumps.
- Specialist air compressors and high- pressure pumping systems.
- High integrity fuses to protect electrical systems.
- Visible anti-slip solutions providing high friction in any environment and weather.
- Power generation and control systems for electrical equipment, engine control and protection, process alarm monitoring and engine diagnostics.

Steel & Concrete Surface Preparation

- Low-vibration Needle/Chisel Scalers
- Floor Scarifiers
- Multi-headed Floorscabbblers And Steel Deckhammers
- Hand-held Scabblers And Scaling Hammers
- Hand-held Scarifiers -Rotopeen
- Long-reach Chisels /Scrapers /Scalers

Trading Product

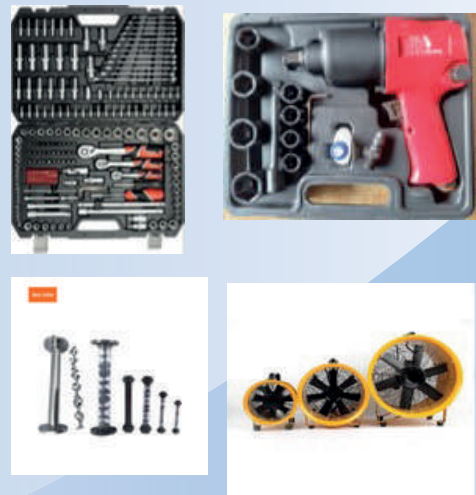

- Seamless and welded pipes
- Forged products, flanges, strainers manifolds, gaskets, special piping fittings.
- Stud bolts, all types of fasteners
- Wire mesh and wire netting products.
- Perforated sheet products
- Electrical and instrumentation cables.
- GRP cable management solutions (ladders, trays, trunking, fittings).
- Emergency light fittings.
- Steel plates, tubes and rods, special alloy steels.
- Primary and secondary steel beams / section.
- Hydraulic hoses and fittings.
- Instrumentation valves (single and double block and bleed) and manifolds.
- Pressure gauges and transmitters, flow meters, tubing
- Adhesives and Double-sided tapes

EX and HOT work zones

Air and Hydraulic Tools

- Reciprocating Saws
- Portable Hacksaws
- Rotary Hammer Drills
- Air Circular Saws
- Portable Band Saw
- Magnetic Drills
- Axial Fans
- Impact Wrenches
- Safety Tools
- Hammers, wrenches, sockets, wedges, chisels and more

Mixers

- Heavy-duty Mixing Drills And Stands
- Portable Mixing Stations

Impact Wrenches

Axial Fans and Air Movers
